

## Brenda Henry (Macdonald)

Hello there! I am Brenda Henry and I would like to thank you for allowing me the opportunity to run again as Vice President of our great Local 4047.

Having spent the last 2 years in office I have both enjoyed and learnt so much.

I will have to make this Bio interesting as most of you know me already and I don't want to bore anyone.

I was born and raised in Montreal making me a bilingual child in a family of seven. Known mostly, I believe, for my sense of humour.

I am mother to the best (soon to be 16 years old) son Liam.

Hired by Air Transat in May 1993, I have worked all and every position on our aircrafts.

What I think I bring to the table for this position is a great deal of experience and compassion for the hard work we all do onboard (and sometimes off).

That hard work needs to be respected and appreciated at all costs.

I have a very good working relationship with our company's management and have had the pleasure of accompanying the Component President, Julie Roberts and Vice President, Karène Benabou at a management roundtable (CEM) meeting this past fall.

I enjoy being organized and will not stop at something that I believe in and I know, as most, the value of perseverance.

I am devoted and diligent, so if you have a question that needs answering big OR small, or a battle you want pled I hope to be the one you will call.

That being said, your decision will be tough as this election's other candidates, Brenda, Sam, and Thalia are tops!

Wishing everyone the very best!
