

VOTE MARTA JEZIOROWSKA FOR
LOCAL 4047 TRUSTEE

To all my Cabin Crew colleagues;

I am very proud to have been a Flight Attendant for the past 18 years. I am now putting my name forward, for your consideration, as your Local 4047 Trustee for the next 3 years. I have worked for the Local as Vice President in the past, which had me involved in many projects and responsibilities during my 2 years in the position. I would like to once again help in our Union and represent our Local as one of your trustees. Therefore, I am asking for your vote but most importantly, please vote. Your involvement is our strength.

Thank You and Fly Safe.
