ANNUAL VACATION

TYPES OF VACATION DAYS	<ul style="list-style-type: none"> • VAC = vacation day earned. • FER = vacation day in lieu of statutory holiday. • VACM = vacation for having taken a mini block. • FERM = vacation day in lieu of stat holiday for month on mini block.
COMPENSATION	<ul style="list-style-type: none"> • VAC paid at 4 hours per day (15.22). • FER paid at 4 hours per day (15.22). • VACM paid at 2 hours per day (B11.06.06). • FERM paid at 3 hours per day (B11.06.06). <p>These credits are taken into account when calculating RSV hours: i.e. If you have 1 day VAC, the 4 hours will be calculated towards your 75 hours for that month.</p>

AVAILABILITY & NOTIFICATION

ASSIGNMENT TIMES (B9.12.02)	<ul style="list-style-type: none"> • RAM or RPM (can be called anytime during your RSV period). • May be assigned to operate a pairing that starts outside RSV hours. <i>E.g. On RAM, you can be called at 10:04 to operate a flight at 15:30.</i>
LOCATION (B9.14)	<ul style="list-style-type: none"> • Can only be on reserve at your home base. <i>E.g. If you are YYZ base, you cannot be sent to YUL to sit on reserve.</i>
TIME (B9.11)	<ul style="list-style-type: none"> • Must be notified at least 3 hours and 30 minutes before flight <u>departure</u>. • If notified with less than 3h30, Short Notice Premium applies. (\$150).
SHORT NOTICE PREMIUM (B9.11)	<ul style="list-style-type: none"> • If given less than 3h30 minutes to departure, \$150 premium applies; taxable. • ALWAYS have a minimum of 2h30 minutes to report to work. • Must demand 2h30 minutes to crew scheduling. <i>E.g. Departure time is 18h00. You are called at 15h00. You have until 17h30 to report to work.</i>
NOTIFICATION (B9.10)	<ul style="list-style-type: none"> • You will be called once. If you do not answer, 2nd call is at least 10 minutes later. If you do not answer the 2nd call, you have 10 minutes to call back CSO before being considered unavailable. NO SHOW • Both calls are made to your priority number in E-Crew. • It is the responsibility of the reserve block holder to contact CSO or verify ECREW upon arrival at home base to see if he has been awarded a pairing which operates during the reserve block holder's next reserve period and therefore avoid possible interruption of crew rest (B9.15).
WRONGLY ASSIGNED PAIRING (B9.16)	<ul style="list-style-type: none"> • If you are wrongly assigned a pairing: the company must correct the mistake within 10 minutes. • If it is corrected after 10 minutes: you will have a legal rest period starting from the time of the last call; • AND you will get 4 hours credit.

BIDDING & AWARDS

BIDDING (B9.12.01)	<ul style="list-style-type: none"> Company determines the number of RAM & RPM needed for each day. You can bid RAM, RPM or both as long as a RPM never follows a RAM (24 hours on RSV).
AWARD (B9.12.01)	<ul style="list-style-type: none"> RAM & RPM will be awarded by seniority.

CREDITS AND PAY

RESERVE BLOCKS (B15.01.02)	<ul style="list-style-type: none"> 75 hours paid guaranteed per month. Over 75 hours is paid additionally. Over 85 hours paid at time & a half (B15.02.01).
RESERVE MINI BLOCKS (B15.01.04)	<ul style="list-style-type: none"> 37.5 hour paid guaranteed per month (paid 18.75 hours per pay period).
SICK DAYS (B15.01.05)	<ul style="list-style-type: none"> 75 hours is reduced by 2.17 credits (2h10) per day of absence <i>i.e. 1 day of absence is 75-2.17= 72.83</i> If already assigned a pairing, lose entire credits from pairing. Call in sick ASAP. 16.02.01 A reserve who reports that he is fit to return to work 7 hours before the end of his reserve duty period will not have this day debited and will work his reserve Duty day; however, this day will be debited if he reports that he is fit to return to work less than 7 hours before the end of the reserve duty period, unless he works a flight before the end of the 24-hour period of sick leave.

DAYS OFF

NUMBER OF DAYS OFF PER MONTH (B9.03.01)	<ul style="list-style-type: none"> 12 days off total each month: 5 guaranteed days off & 7 regular days off.
